Referee issue: There is a massive lack of referees. We will have games this weekend, but might be “non-competitive”. In the process of trying to work something out. Will be having a referee training classes Tuesday, Wednesday and Thursday of next week.

Evaluations: The player evaluations need to go to Scott.

Herb: wants to meet with coordinators Saturday to discuss implementing an evaluation system. Wants to meet with coordinators a 2nd time to go over how it works. Will send email.

Helen: 933 players registered. Some have dropped and some players have not shown up to practice yet. Sent out email with list of registered players to coordinators to verify no one missing.

Picture Day: there was a little snafu but will get ironed out. Some pictures are criss-crossing. October 17th is make-up day and Referee picture at 5:00pm.

Jerry: Will go over secondary guidelines after meeting

Scott: Need to have boxes at the fields to put game cards in.

Paint: Coordinators keep eye on the paint at your fields and let Bob know when low so he can order more.

John: need to get a pin design. Use the Armed Forces design and tweak it to say Region 15 AYSO.

Richard: Need more Velcro for the nets at Adams.

Uniforms: If anyone has any extra unused sets please return to Bob.

Directory: by email from Sharon—Still missing an estimated 15 rosters. Sharon has sent emails and provided deadline date, which has now passed. She is prepared to complete the Directory without roster information.

Kicker: via email from Lani—Lower division coordinators please email your coaches for team articles and pictures. So far not receiving much. Would like to have a referee corner and a coach’s corner in the kicker. Possible to mass email the Kicker to everyone so it’s in their email box. There was no Kicker last week, because we didn’t have much to put in it.

Spring League: Helen worked on a flyer and is being distributed.

New Incident form is published and now all forms have to go to National.

Meeting adjourned at 8:40pm
