Should solicit neighbors to let them know that we will be there and if any problems with parking, call the police. Flyers passed out to homes explaining why we are there. Hickory wants the porta potties in the corner on Greenwood by the park. (check with Patsy about locking the porta potties. Get contact person name and phone number.) Try using zip ties to secure porta potties when not in use. Check about getting new container for Hickory.

Team parent meeting went well. Everyone liked the speaker.

Coach—UK coaches will be back for 2 weeks during the season. Coach training went ok. U6-U12 didn't get put on the web. Do it again next year and goal keeping training. Meet with coordinators (make mandatory) and find out what training their coaches need. Then go division by division. Teach specifically for their needs. Put on one camp (super) in our region only u6-u12 and then intermediate and advance. Have a meeting with coordinator the 19th in the evening.

Anthony needs list of all coaches names so he can look up volunteer forms.

Every division has a wait list except for u14.

Get art work to John and he will make decision for the pins.

Jerry – still have more classes to use for high school age kids.

Bob—if coaches haven't passed out uniforms get it done.

Fred—game cards will be larger yellow for U8, pink for girls U10-U14. Blue for boys U10-U14. Sportsmanship points go 1-5. Refs fill out., coach sign front of card. They do not see the back. Then they go right into the lock box. Coach sign before points are tallied. Standings will be forwarded to Spencer and Lani. Mentor program will be in place.

Kicker—going green after first print.

Hooks don't fit the goals, so Jim has Velcro to use to secure nets. Make sure you remove the pins and don't leave them on the field. Don't leave wheels out.
